

**Dear Salsa Club Member,**

**Welcome to this edition of the Salsa Club newsletter, being the first for the year 2010. Firstly we would like to thank all our members who supported us during 2009 and of course we look forward to seeing your faces in the year ahead.**

Just for your interest our Salsa Club numbers are totalling 1150 – and thanks must go to you all as your positive comments and frequent visits with friends have no doubt contributed to these numbers growing to this level. As a result your points will have increased and could entitle you to free dining.

Many of you have actually used your points and dined at Toro's using anywhere from \$100 to \$300 on us, which makes the membership all worthwhile.

For those that are new to the Salsa Club, or those who might need a gentle reminder, you receive a 10% discount off your ENTIRE BILL and you accumulate points (based on Dollars spent) which then gives you free dining. Below is a table set out with the Points earned vs. Reward.

Points Accrued (\$ spent)	Reward Available (Free Dining)
799 – 1199	\$100
1200 – 1499	\$150
1500 – 1799	\$200
1800 – 2499	\$250
2500 +	\$300
